The undersigned residents of the 1400 hundred block of _____ (Street, Road, Avenue) petition the Mayor and City Council of the District of Columbia to designate this block as part of the Residential Permit Parking program (RPP). This petition contains signatures of one (1) adult resident of a majority of the households (51%) in this block. We understand that there are no other conflicting parking restrictions. This program will restrict the parking of vehicles beyond a consecutive two (2) hour period between the hours of 7 AM and 8:30 PM weekdays, except holidays. We also understand that residents will pay a \$35 annual permit fee for each registered vehicle associated with their household.

We understand that every block that is eligible for RPP signs must meet the minimum criteria of seventy percent (70%) of all legal spaces filled during business hours, of which at least ten percent (10%) must be occupied by vehicles with out-of-state tags. Once a block has been designated RPP, residents will be notified in writing of the date on which signs, are to be posted and where they may obtain parking permits.
