Re: BZA Case 19659 (FSMB) – Neighbor letter in opposition

Dear Sir,

I am a resident of the Sheridan Kalorama neighborhood and I write in opposition to the Federation of State Medical Board's (FSMB) application for zoning relief before the BZA.

I am concerned that an office use of the building at 2118 Leroy Pl. NW will undermine the residential character of the neighborhood, and set a negative precedent for the reuse of the other buildings in our community. Further, I suspect that effects of the use will disturb the quality of life that we residents have worked hard to maintain over the years.

Thank you for your consideration.
