Re: Expansion project at 1108 5th Street NE

To Whom It May Concern:

We are the owners of the adjacent home at 1110 5th Street NE. We have been informed by the Noel Design Build Group of the plans to extend the house at 1108 5th Street NE by more than 10 feet beyond the end of our home. We are writing to inform you that the house is currently between tenants, and as the owners of the property, we are in agreement with the planned expansion. Thank you.

Sincerely,
