Good evening Mr. Allen,

I have really been trying to get a response from you. I sent you an email on 11/15/2017 and I have also spoke to talked to Ms. Ashly Emerson who told me no one is ever at the office at 5001 Hanna lace SE. in which I found true by trying to stop by on several occasions. Ms. Emerson suggested that I bring the Zoning package to her at 2235 Shannon Pl. SE. It was delivered on December 5th to that address. I am currently working nights from 5 to 12 midnight therefore I am not able to attend the meetings but I do encourage you to stop by at anytime. I would really like to speak with you . I have not been successful so far in contacting you therefore, if you could reach out to me I would greatly appreciate it. my contact is 202-584-7334 or 202-213-8584 via email vicman1@comcast.net.

Thank you
