To Whom It May Concern:

We are the owners of 4330 Reno Road NW, located directly to the north and adjacent to 3629 Windom Place NW. The owners of that house have discussed their plans for the addition of a new accessory apartment in the basement of their house, including the addition of a new basement level door on the Windom Place façade, and we have seen the application drawings.

As directly adjacent neighbors, we wish to indicate that we support this proposal.

Thank you
