Re: Case No. 19682 – 2608 36<sup>th</sup> Street NW

Dear Chairperson Hill and Members of the Board of Zoning Adjustment,

I write on behalf of the ANC 3C to express our support for this application for a Special Exception to permit renovation of the residence at 2608 36<sup>th</sup> Street NW (Square 1935, Lot 0024). The applicants appeared at ANC 3C's Planning and Zoning Committee meeting on January 2, 2018. The application they presented thoroughly addressed all questions regarding need for the exception and the impact on adjacent properties. Following this presentation, the matter was placed on ANC 3C's consent calendar at our next regular meeting – January 16, 2018, where a motion of no objection was adopted unanimously.

As the SMD Commissioner, I would like to note that the applicants have done absolutely everything that could be expected of homeowners in terms of information sharing with neighbors, addressing concerns and garnering support. I urge the Board of Zoning Adjustment to grant the requested relief.

Very truly yours,

*Malia N Brink*
