Re: Zoning Analysis for 128 17<sup>th</sup> Street N.E.,

Dear Sir or Madam,

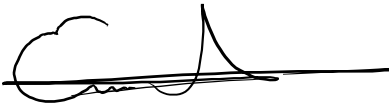

In an attempt to contact and inform all of the adjacent property owners around my property, I've personally mailed letters and brochures (showing pictures of the original property, as well as proposed elevations) to the following addresses. I've also dropped off copies at their addresses and knocked on doors to meet and discuss my project with them in person.

1. 126 17<sup>th</sup> Street NE, Washington, DC 20009
2. 124 17<sup>th</sup> Street NE, Washington, DC 20009
3. 122 17<sup>th</sup> Street NE, Washington, DC 20009
4. 120 17<sup>th</sup> Street NE, Washington, DC 20009
5. 200 17<sup>th</sup> Street NE, Washington, DC 20009
6. 1627 Constitution Ave, Washington, DC 20009

I have also attached a copy of the letter and brochure to this letter for your use.

Thank you for your consideration.

Best,
