

Subject Property

Board of Zoning Adjustment
District of Columbia
CASE NO. 19731
EXHIBIT NO. 10

A photograph of a two-story townhouse. The left side is finished with light-colored stucco and features a bright red door with a small balcony above it. The right side is made of dark red brick with a white-painted porch and a white door. A large tree is in the foreground on the left, and a bush is in the center. The text "Subject Property- 1766 Lanier" is overlaid on the image.
