Re: Request to Postpone Hearing Date; Application No. 19731.

Dear Members of the Board:

I am writing on behalf of the Applicant in the above-referenced application to request a postponement of the scheduled hearing date from May 23, 2018 to June 13, 2018. The Applicant attended the ANC meeting on April 4, 2018; however, the ANC did not have a quorum. Then, the Applicant requested to attend the April Zoning Committee meeting, but after an adjacent neighbor was unable to attend, the Applicant agreed to present at the May Zoning Committee meeting and the subsequent June ANC meeting.

Thank you for considering this request.

Sincerely,

Martin P. Sullivan
