Re: Postponement Request - BZA CASE # 19734
1432 Newton Street NW (Square 2677, Lot 0371)

Dear Members of the Board of Zoning Adjustment,

We hereby request a postponement of our case # 19734. The reason for our request is to give the Office of Planning more time to prepare an amended report. Their final report was delayed due to our ongoing talks with neighbors and the ANC, which resulted in the revision of our plans and a subsequent delay in providing all the information the Office of Planning required. Our file will be updated and we will be ready for the next opportunity to present our case at your earliest convenience.

Sincerely,

James Solomon AIA LEED AP BD+C
