DOGHOUSE**

**WALKS**  
Atlas Doghouse provides dog walking services throughout the Washington DC area. We are fully licensed, bonded, and covered with over two decades of stellar combined experience taking care of Washingtonian best friends. Our care brick & mortar location can be found at 1375 H Street NE, though we do service the entire city. Our priority will always be to put your dog's safety and comfort above all else and we understand that, though you absolutely love your dog, sometimes you just need a helping hand from time to time. Whether your situation calls for regular walks while at work, or individual bookings when you're off on vacation, we confidently provide the highest caliber of customer service and professionalism in the industry.

**DAY CARE**  
Whether you're looking for a place to drop your dog off for a few hours while you're at work, or a place to bring your dog to hang out with other dogs, Atlas Doghouse has you covered. Our day care facility is fully equipped with everything your dog needs to have a fun and safe day. We offer a variety of activities and games to keep your dog entertained and happy. Our staff is trained to handle all types of dogs and we'll make sure your dog is safe and sound throughout the day.

**BOARDING**  
Atlas Doghouse offers dog boarding services for dogs of all breeds and sizes. Our boarding facility is fully equipped with everything your dog needs to have a comfortable and safe stay. We offer a variety of amenities including private kennels, toys, and treats. Our staff is trained to handle all types of dogs and we'll make sure your dog is safe and sound throughout their stay.

ATLAS  
DOGHOUSE

A dark wood shelving unit with four shelves. The top shelf holds four white ceramic jars with text: "LIVE LOW BARK", "GOOD DOGS", "GOOD DOGS", and "GOOD DOGS". The second shelf has a green plant in a blue pot and a small framed photo. The third shelf contains two glass jars filled with dog treats. The bottom shelf features two large, fluffy, light-colored dog beds.

A long, dark-stained wooden reception counter. On top of the counter, there is a red pot with a plant, a black bowl, a small framed photo, and some papers. A large green plant is positioned to the right of the counter. A clear plastic water bottle is on the floor next to the counter. The counter is built from thick, dark wood planks.
