**Re: BZA Application 19746 – DC Super Pack LLC**

Dear Chairman Hill and Members of the Board,

*OWNER OF BARB (KOREAN FUSION)*  
I am a ~~current client of Atlas Doghouse, the dog daycare, grooming, and boarding business at 1371-1375 H Street NE.~~ I have spoken with the applicants, and I understand that they are seeking a special exception from the Board in order to operate their business on the property.

I am writing to offer my full support for this zoning application. The applicants are a wonderful addition to our neighborhood, and the dog care service they provide is superior. Not only do they take great care of the dogs, but of the property as well.

I believe the zoning relief being requested will not adversely impact my property or the neighborhood because the dog care use is compatible with the other retail uses on H Street. The applicants also make an effort to keep the property clean, and noise- and odor-free, without negative impacts to the neighboring properties.

I strongly recommend the Board approve the zoning relief and allow the applicant to operate their business on the property. Thank you very much for your time and consideration.

Sincerely,

*Justin Cho*
