Re: BZA No. 19748 -- Letter of Support for Acton Academy

Dear Members of the Board of Zoning Adjustment:

I write to submit a letter of support for Acton Academy in BZA Case No. 19748.

I have lived in Foggy Bottom, at the above Address, nearby St. Paul's Parish and the small Montessori school proposed in this case, for 42 years.

I am very supportive of the Acton Academy project at St. Paul's Parish. I do believe it will be beneficial to the Foggy Bottom neighborhood, and will attract and serve young families who currently lack school options nearby for their children. I look forward to hearing the sounds of children celebrating life! And if that is considered noise, let's have more of it!!!!

I voice my support for the Acton project. Given the small size of the school, I do not believe that this project will meaningfully add to noise or traffic in the neighborhood. We appreciate Acton's efforts to reach out to the neighbors and the community.

Finally, I understand that Barbara Kahlow and Sara Maddux have requested party status for the West End Citizens Association in opposition in this case, purportedly on behalf of the neighbors who live nearby St. Paul's Parish. I live in the next block to the church and neither Barbara Kahlow nor Sara Maddux have spoken to me about their concerns, and therefore they do not speak for or represent me on this subject.
