BZA Case No. 19751 Petition	
MED Developers and Guest Services Inc. is seeking mexisting R1-B / residential (single-family) zoning for the Heights lot at 2619 Wisconsin Ave. I oppose this plan	he Massachusetts Avenue
Unreasonable Parking Plan: The proposed 9 parking sp facility of this size and only half the required spaces for visitors. The developer's parking plan unrealistically r parking several blocks away.	or 18 staff + contractors +
Negatively Affect the Neighborhood: The 5-level men will dominate the area and is not designed to fit/blend will adversely affect neighbors with persistent noise, hi privacy issues. Guest Services also plans to route all fi ambulances and commercial deliveries to a narrow, res day.	into the neighborhood. It ight, environmental and re & rescue, trucks,
No Experience: MED Developers and Guest Services experience running a memory care institution of this si- being marketed as a "best practices" center for memor- plans from a previous development plan and has no cit- design.	ize. The facility is also y care but shares floor
Bait and Switch: MED Developers does not own the lo and failed to have the city pay \$175,000/month in rent on the same single family lot. Guest Services Inc. has long term financial funding. If changing the use from a to a commercial facility proves unviable, MED Develo seek an additional exception for a more extreme use.	for another failed project not shown proof of any a single family residential
We believe the current plan by Guest Services Inc. and wrong plan for the lot. We need a better plan, one that seniors or the community it will serve.
