Dear BZA Commissioners:

My family and I have lived at 3525 Davis Street, NW for the past 18 years.

I am writing to let you know that we oppose MED's application to develop the lot at Wisconsin and Edmunds.

My mother who is 80 and who has lived her whole life in DC remembers buying Christmas trees on that lot with her father 70 years ago. And we have bought Christmas trees there (much more recently!) as well. That said, I am all in favor of the lot being developed into town houses. I think that makes sense but a nursing home does not. It is a residential neighborhood and the proposed structure will overburden parking; crowd and congest our neighborhood as deliveries and commercial traffic increases; tower over existing homes in our residential zone; and make our neighborhood alley unsafe for children to ride bikes or walk down.

Thank you for your consideration.

Sincerely,

Hadley Boyd
