To whom it may concern:

I am disappointed that I am unable to attend today's hearing, but I am in Guatemala for work. I am writing to oppose MED's application to develop the lot at Wisconsin and Edmunds streets. Our community is a residential neighborhood. The proposed structure will tower over the existing homes in our residential zone, and crowd and congest our neighborhood. As deliveries and commercial and other traffic increase, it will make the surrounding roads and our neighborhood alley adjacent to the lot unsafe for the many children who ride bikes and walk in the neighborhood and alley. The structure will also overburden parking in the neighborhood.

Sincerely,

Tiffany Prather
