Re: BZA 19757, 1201 Staples St NE

We are requesting postponement of our hearing for the above-mentioned BZA case until after the June meeting of ANC5D. It is the policy of ANC5D to first schedule a meeting with the single-member commissioner at a regular monthly neighbor meeting before presenting the project at the full ANC meeting. In this case, we did not receive notice of our hearing date until after the April meeting of the single-member commissioner meeting. Therefore, we could not present the project at the May meeting of the full ANC scheduled for 8 May 2018.

We are scheduled to meet with the single-member commissioner at her regularly scheduled meeting on Saturday, 19 May to review the project. We will then make a full presentation to the ANC on Tuesday, 12 June.

Our hearing is currently scheduled for Wednesday, 6 June and is before the ANC will have an opportunity to review the case. Therefore, we request that our hearing date be moved to the next available date after 12 June 2018.

Thank you in advance for your consideration.
