Re:

BZA App. No. 19757 – Support postponing hearing for BZA 19757.

Dear Mr. Chairperson and Board Members:

As the adjoining and immediately adjacent neighbor to the property at issue in the above-referenced BZA application, I am writing in support of postponing the hearing for BZA 19757.

This will allow me, the adjoining homeowner, to continue working with the applicant to address my concerns.

Thank you for considering this request.

Sincerely,

Mark Stilp
