Re: BZA 19757 | 1201 Staples St NE

We are requesting a third postponement of our hearing for the above-mentioned BZA case. We are continuing to work with the adjacent neighbor to resolve their concerns and gain their support for the project.

Our hearing is currently scheduled for Wednesday, 3 October 2018. We would like to request our hearing postponed to either the 31 October, 7 November or 14 November hearing dates in order to adequately address the design revisions and review with the Office of Planning.

Thank you in advance for your consideration.
