

October 4th 2018

To whom it may concern, I come to you as a resident of Ward 8 -D03. My name is Claytria Mercer I have been a Ward 8 resident for 38 years, today I serve as a Special Police Officer right here in Ward 8 as well. I'm very pleased that Mrs. Fletcher (Beyond Light Inc.) is becoming a part of the rehabilitation process of Ward 8. My hopes for our community is to help rebuild the men in the community so they can return back in our society as independent men of Washington, DC.

Sincerely,

Claytria Mercer
