Dear Sir or Madam,

I am a neighbor within 200 feet of 716 Upshur St NW Washington DC 20011, where the property owner is applying for a zoning variance.

https://app.dcoz.dc.gov/Content/Search/ViewCaseReport.aspx?case_id=19804

I would like to file an objection to the zoning variance. The third story will definite intrude on the neighborhood visually. This construction will interrupt the historic character of the row houses, particularly their continuous roof lines. I have attached photos of the north (image1.jpeg) and south (image2.jpeg) sides, where 716 Upshur St NW is located.

Thank you,
Joseph Bui
