Board of Zoning Adjustment  
District of Columbia  
CASE NO.19818  
EXHIBIT NO.40

## INFORMATION

A motion is a procedural device requested by a party to the case to bring a limited, contested issue before the Zoning Commission (ZC) or the Board of Zoning Adjustment (BZA) for decision. A party may submit a motion at any point; however, it is recommended that motions be submitted ahead of time for consideration by the ZC or BZA.

Use this form if you are a party to a case and you would like to request that the ZC or BZA entertain your motion. For example:

- a). Motion to continue or dismiss; or
- b). Motion to reopen a closed record to accept a document.

A motion will be entertained by the ZC or BZA at a meeting or as a preliminary matter at a hearing. At that time a decision will be rendered. Please note, in the case of a request to reopen the record, pursuant to 11 DCMR Subtitle Z § 602.6 and Subtitle Y § 602.6, the request will be presented to the Chair for consideration. The request must demonstrate good cause and the lack of prejudice to any party. If granted, the materials shall be entered into the record.

**Points and Authorities in Support of Appellant's Motion to File a Final Supplemental Pre-Hearing Statement**

The argument raised in the Final Supplemental Pre-Hearing Statement goes hand in hand with an argument made in the Appellant's Supplement to Pre-Hearing Statement (Exhibit 29). In the previous argument, the Appellant noted that the rear wall is not being built according to the plans. As a result, it is too close to the rear yard. And as a result of the rear wall being built too close to the rear yard, there is not enough room for the driveways behind the house to satisfy the minimum depth requirements. Because this argument complements the previous one, no new arguments need be made in response or in reply. No one, then, will be prejudiced by the filing of the Final Supplemental Pre-Hearing Statement.
