(Re: BZA Case No. 19823, Wisconsin Avenue Baptist Church - Sunrise Senior living, 3920 Alton Place, NW)

Dear Chairperson Hill and Members of the Board:

I wanted to send STRONG support for the Sunrise/WABC project in Tenleytown (BZA Case No. 19823, Wisconsin Avenue Baptist Church - Sunrise Senior living, 3920 Alton Place, NW). I live a block away from the proposed project and have been looking forward to it. I can't think of a better project than a senior living facility in our neighborhood. I was hoping to take my young daughter to do volunteer work there and make the residents feel welcome in our neighborhood. It will be an excellent addition to the Tenleytown area—and an excellent example of smart and balanced urbanization.

While I fully believe in everyone's right to voice their opinion, I hope that just a couple loud voices against the project don't sway your votes. Change can be good if done thoughtfully and respectfully, which this project will.

Thank you for your time.

Sincerely,

Amy Chiang
