BZA Case No. 19823

Sunrise Senior Living and Wisconsin Avenue Baptist Church Project at 3920 Alton Place

Hearing Date: November 14, 2018

Dear Chairperson Hill and Members of the Board

I am writing in very strong support of the proposed Wisconsin Avenue Baptist Church/Sunrise Senior Living Project.

My spouse and I bought 3813 Alton in 1988 and she died in this house 2012 and what a neighborhood. Such support, love, and connection. Actually when we bought our home in 1988, there was a drug house next door at 3811 which had cause a complete turn over on our street. But sadly to say we had two deaths from drugs at that house in 1996-97. The house had to be sold and a lovely couple bought the house and raise two fine sons.

We are a very close neighborhood. So much so I am putting in my will that "I do not want my house sold to a Developer". I would have to come back and haunt my children if they did that. Sure my children might get more money but I do not want the 3800 block of Alton to change. There is far too much ~~change~~ <sup>drive</sup> in the City and World to not hold on to the character and peace and quiet of this block.

I am 85 and might go live in the new Sunrise Retirement home myself. That way the neighbors could come to visit me. So I say again and again please accept the Sunrise Senior Living and Wisconsin Avenue Baptist Church Project at 3920 Alton Pl. NW. Thank you so much for reading my heart felt letter and please vote to pass the project mentioned above.
