RE: Time Extension Application No. 19823A of Wisconsin Avenue Baptist Church

Dear Board Members,

As the owner of the church property (Square 1779, Lot 14), the Wisconsin Avenue Baptist Church Trustees hereby authorize the submission of the above referenced Time Extension. Although Sunrise Senior Living was not able to complete the project approved by the BZA in our original application, the Trustee authorization for this project remains in effect. We are in active discussion with a new developer, Experience Senior Living, and authorize the Time Extension Application in order to proceed.

Sincerely,

Wisconsin Avenue Baptist Church
