Re: BZA Case for Heights Holdings LLC - Letter in Support of BZA Application #19862

Dear Chairman Hill and Members of the Board,

I live or own property near the subject property. I have spoken with a representative of Heights Holdings LLC, and I understand that they are seeking zoning relief for a 26-unit apartment building.

I am aware that the proposed project is seeking relief from the regulations regarding the minimum parking and rear yard requirements. I am familiar with the property and have had my questions answered by the Applicant. As such, I am writing to offer my full support of this application. The proposed project would serve as a great location for additional housing opportunities.

I believe the zoning relief being requested will not cause any concerns because the use would fit in with the neighborhood and it doesn't present any issues in its design or bulk. Therefore, I do not believe the approval of this project will have any adverse impact on my property or the neighborhood.

Instead, the project will provide more housing in the neighborhood with a new elegant attractive building. The added housing will provide more patrons for the local small businesses and I look forward to its completion. Therefore, I strongly recommend the Board approve the zoning relief and allow the building process to proceed. Thank you very much for your time and consideration.

Sincerely,

Robert Simms
