

STATEMENT OF PUBLIC OUTREACH

SOME, Inc. (“**SOME**”) is committed to working with the surrounding community, ANC 5E, its neighbors, and District agencies regarding the project (the “**Project**”) and the required BZA relief.

As a threshold matter, SOME is long standing resident of the immediate community and is committed to continue being a good neighbor. To that end, SOME has been working with ANC 5E. It has reached out to the Single Member District Commissioner for ANC 5E04 for the Project and is scheduled to appear at the next two ANC meetings. Additionally, SOME has reached out to the Eckington Civic Association (“**ECA**”) and is scheduled to present to the ECA on October 1.

SOME will continue to work to communicate with neighbors and keep area residents informed about the Project. SOME is committed to continuing the above-described outreach in advance of the Board’s public hearing and throughout the Project’s design and construction.
