Hello Meghan,

I will be out of the office for the rest of the week so, I want you to know that DCRA consents to a continuance in BZA 19935 (3113 Albemarle, Street, N.W.) and BZA 19896 (1731 Kalorama Road, N.W.)

Regards,

Adrienne

Hi Rashid,

Continuance is fine.

I'm wondering, will anyone from the neighborhood be hired to work on the site. There's a few folks I know that from Adams Morgan that are skilled and could use the job of building up their own community.

Thoughts?

Chris

PS: Have not yet seen elevation and plans but appreciate Neal is on it.
