

February 22, 2019

Dear Board Members:

We request an extension to the deadline for filing documentation. Deadline established by Mr. Moy at the February 6th hearing was February 15th. However, the significant revisions to the proposed building design required further coordination with the Office of Planning and the Zoning Administrator, in order for us to finalize our documentation and relief request without the need for further revisions.

We look forward to presenting this application to the Board at the hearing scheduled for March 6, 2019.

Sincerely,

Catarina Ferreira, AIA, NCARB
Principal at ARCHI-TEXTUAL PLLC
