Good Morning To All

Board of Zoning Adjustment
District of Columbia
CASE NO.19911
EXHIBIT NO.40

I hope all is well I did speak with Mr Holmes today and I met with the committee on 1/10/19 at the ANC Meeting and I was informed that the ANC Committee would only push back the meeting one week and per our conversation today as I stated I am out of town and return on Tuesday, February 5, 2019 attending a conference and Mr Holmes informed me of completing a walk through but keep in mind I have parents awaiting for the 3 slots. if approved and I believe one month will not be feasible for the parents that are awaiting and the community that we have already notified by mail and the public notification.

Sincerely
LaTrell Duncan-Fitchett

All,

ANC7C require additional time to review BZA 19911. I have spoken with the applicant and she is available to meet with the Commission for our February Executive meeting (2/28) and March General Meeting (3/14). Can you please move the applicant's hearing date to the first available date after our March General meeting (3/14)? Thank you again for assisting ANC7C with this request.
