Missionaries of Charity
2800 Otis St., N.E.
Washington, D.C. 20018

October 12, 2018

Monsignor Charles Antonicelli
Moderator of the Curia
Archdiocese of Washington
P.O. Box 29260
Washington, D.C. 20017

Dear Msgr. Antonicelli,

Peace of Christ!

In our discussions with Msgr. Enzler, the Missionaries of Charity has been made aware of the proposal for Catholic Charities of the Archdiocese of Washington to develop a solar power system on the Otis Street property. Msgr. Enzler has described how the benefits of the solar field will not only confer to Catholic Charities but will also provide the ability to fund all the possible maintenance of the structure of our building at Gift of Peace, as well as all the systems maintenance and replacement.

We have no objections that the solar power system be located on the Otis Street property and are grateful for all the support that the Catholic Charities have given us throughout our years of service in Washington, D.C.

We understand that Catholic Charities is working with Catholic Energies and that Catholic Energies is part of the Catholic Climate Covenant.

May the Lord bless this project and we pray for God's blessing for all those involved in this endeavor.

Sincerely in Christ,

Sr. Maria Agnes, M.C.
