

# Government of the District of Columbia

## Department of Transportation

### d. Planning and Sustainability Division

#### MEMORANDUM

**TO:** District of Columbia Board of Zoning Adjustment

**FROM:** Anna Chamberlin  
Neighborhood Planning Manager 

**DATE:** May 10, 2019

**SUBJECT:** BZA Case 20017 - 1128 6<sup>th</sup> Street NW

---

#### APPLICATION

1128 6th Street LLC (the "Applicant"), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle X, Chapter 9, seeks approval for special exceptions under Subtitle C § 1504 from the penthouse setback requirements of Subtitle C § 1502.1, and under Subtitle F § 5201 from the lot occupancy requirements of F § 304.1 to construct a three-story addition, a rear penthouse addition, and to convert a principal dwelling into a six-unit apartment building. The Applicant is required to provide two (2) parking spaces and will be meeting this requirement through two (2) existing parking spaces located on-site. The site is located in the RA-2 Zone at premises 1128 6<sup>th</sup> Street N.W. (Square 449, Lot 40).

#### RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action may lead to a minor increase in vehicle, transit, pedestrian, and bicycle trips on the localized transportation network. In addition, the project may slightly reduce the amount of available on-street parking within the immediate area. Despite these minor impacts, DDOT has no objection to the approval of this application.

#### PUBLIC SPACE

This review only pertains to zoning issues and does not consider potential impacts to District owned public space. DDOT's lack of objection to this application should not be viewed as an approval of public space design. If any portion of the project has elements in the public space requiring approval, the Applicant is required to pursue a public space permit through DDOT's permitting process.

DDOT expects the proposed public space design to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the DCMR, DDOT's Design and Engineering Manual, and DDOT's Public Realm Design Manual for public space regulations and guidance.
