Mid City Builders, LLC has made numerous attempts to present to ANC 6A. As per email dated July 17th from Brad Greenfield, chairman of the economic development and zoning committee for ANC 6A, he “inadvertently left this matter off the agenda for the July EDZ meeting”.

Matt Corell, DBMC Design architect, and Aaron Ruderman, Mid City Builders, have made multiple follow up requests to Brad Greenfield, Amber Grove, and Marie-Claire Brown for an opportunity to present at the September EDZ meeting. See emails dated 7/31/2019, 8/26/2019, and 9/3/2019. Note, Tracey Rose and Keara Mehlert were cc'd on these emails. No one at ANC 6A has responded to any of the email requests.

We are uncertain why ANC 6A doesn't respond to our requests.
