Good afternoon, Keara.

Unfortunately, the Commission will not be taking official action on this BZA. The application was not discussed with the Commission and we have not been informed of the public's perception on this issue.

Please let me know if you have additional questions or concerns.

Best regards,

Delia

Subject: BZA Application #20084 of Korey Marable - ANC 7E Report

Good morning Commissioners,

I know ANC 7E is currently on summer recess, but I'm reaching out about BZA case **#20084 of Korey Marable (4672 A Street SE)**, which is scheduled for the July 31st BZA meeting next Wednesday. Currently, there is a letter of support from SMD04 Commissioner Tate, but there is no official report from ANC 7E in the record, which is how the Board can apply "great weight". Has the ANC voted on this project and do you plan on submitting a report prior to the July 31st hearing?

Please let me know if you have any questions, thank you!
