RE: ANC1A Addendum to Exhibit 31 in BZA Case No. 20114: Request to Designate Commissioner Kent Boese an expert witness in the areas of historic architecture and historic preservation.

Dear Members of the Board of Zoning Adjustment,

As the Commissioner designated by Advisory Neighborhood Commissioner 1A to represent the Commission on matters before the Board for BZA Case #20114 (3569 Warder St NW), I am submitting this request to be considered an expert witness before the Board in the areas of architectural history and historic preservation.

Pursuant to Subtitle Y-203.9, which states: “*an individual offered as an expert witness shall provide written evidence to the Board of expertise including but not limited to educational attainment, licensing, accreditation, and examples of relevant or comparable work and employment,*” I am submitting a resume and will be present at the continuation hearing on this case. Please note that in addition to the necessary educational background the resume includes a growing body of successful landmark nominations – all the result of personal research and authorship.

I look forward to your consideration and answering any questions you may have at the continuation hearing on November 6, 2019.

With regards,
