**Special Exception Relief**

The Applicant seeks relief under Subtitle X § 901.2, for special exception under Subtitle K § 921.1 from the maximum linear ground-floor building frontage restriction of Subtitle K § 902.7(e), to develop a mixed used project with ground floor retail in the WR-2 Zone.

Based upon the record before the Board, and having given great weight to the appropriate reports and recommendations filed in this case, the Board concludes that the Applicant has met the burden of proof that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map and that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map. The Board further concludes that, pursuant to Subtitle X § 901.2(c), any other specified conditions for special exception relief have been met.

Pursuant to 11 DCMR Subtitle Y § 604.3, the order of the Board may be in summary form and need not be accompanied by findings of fact and conclusions of law where granting an application when there was no party in opposition.
