Dear BZA:

As a nearby neighbor, I am writing to support the BZA granting the "Call Your Mother" deli a zoning variance so that they can open their business to those of us in the neighborhood. When we think of the empty storefronts in Georgetown, I believe that this is exactly the kind of business our village needs — small, locally owned with a national reputation for quality products. They would be a great addition to our community and I support your help in getting them up and running.
