**Dear BZA,**

**I am a resident of the West Village in Georgetown and I support the BZA granting Call Your Mother deli a zoning variance so that they can open their doors to our community. I believe that the benefits to the community far outweigh any possible negatives that may arise. I also think that their proven track record speaks volumes. I would far rather have one successful business in that location than many others come and go.**

Sincerely,

Tia Lotuff
