Hi Ed and Aaron,

My name is Lisa Ingram and I live on 1511 Swann street, NW. I just wanted to let ANC know that I support our neighbors plans on adding a two-story addition to their property on 1832 15th Street NW. The planned addition would not bother me at all. I actually welcome it - I think its great if growing families can stay in the neighborhood. I believe its in the best interest of our community.

All the best,

Lisa
