RE: 1101 5<sup>th</sup> Street, NW, Washington, DC

Our neighbor, John-Joseph Russo has advised us that he is seeking to add a one floor addition with deck over the existing garage. The addition is planned to be approximately the same height as his house. The addition façade will be in similar style to the existing building. We support his plans for this addition.

Mr. Russo has also indicated his interest in establishing an art gallery on the lower level of his building. We support this as well.

Sincerely,
