

4 November 2019

To ANC6E BZA,

I'm writing to express my support for Mr. Jon-Joseph Russo's construction project and art gallery opening, to be located at 1101 5<sup>th</sup> ST NW, Washington, DC.

I've known Mr. Jon-Joseph for nine years since we moved to 1111 5<sup>th</sup> ST NW, Washington DC. Two weeks ago, I discussed with him his plans to build a one room addition above his garage that would use the same roof line as the rest of his residence. I also discussed with him his plans to open an art gallery on the first floor. I support both of these measures as the construction and the art gallery will improve the neighborhood.
