 PLANS APPROVED

These plans are to be used in accordance with any
 conditions or notes on the permit. This permit is
 not a license to construct in violation of codes and does not waive
 the code requirements for design review.
 All work must be done in accordance with the approved
 plans. No inspection work shall be done until the approved
 plans are approved.
 The issuance of this permit does not prevent field inspections
 from ordering corrections to meet codes when issues are noted during
 inspections.
 No onsite changes to approved drawings. Changes or
 modifications to these plans require resubmission with additional permit
 fees.
 This permit does not include approval for any work requiring a
 separate permit.
