Re: BZA Application
1416 15th St NW

Dear Board of Zoning Adjustment:

My neighbors who live at 1416 15th St NW are seeking a special exception of the District of Columbia zoning regulations to build an addition onto their home that will cause the lot occupancy of the property to exceed the limit prescribed.

They have shared the drawings of the proposed project that will be submitted with the application to the BZA.

We have reviewed the materials and have no objection. We recommend that BZA grant the request for a special exception.

Sincerely,

Sam Gumbert, MD
