

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
Board of Zoning Adjustment

July 24, 2020

**Memo to file**

**Re: BZA No. 20258 - Application of William Springer & Forrest Kettler**

On July 16, 2020, the Board of Zoning Adjustment received two requests to have the record left open to receive written testimony from two persons who had technical issues that prevented their presentation of testimony at the hearing on July 15, 2020. On July 17, 2020, after considering the rationale for the requests, the Chairman approved the requests of Stephanie Demperio and Gail Miller allowing them to submit their testimony into the record, pursuant to the Zoning Regulations governing virtual hearing procedures. The documents were then entered into the record at Exhibits, 44, 44A, and 46A.

At the Board's Virtual Public Meeting of July 22, 2020, the Board determined to leave the record open for a reasonable time to **allow the Applicants and affected Advisory Neighborhood Commission 2B an opportunity to respond to the new filings prior to the decision date.** Aside from allowing these responses, the record is closed.

The Board will consider a decision on the merits of this case at a **VIRTUAL PUBLIC MEETING through Webex on July 29, 2020 - session to begin at 9:30 am.**
