To Chairman Hill and Members of the Board:

My name is Isaac Bowers and I live at 3702 Reno Rd NW. I write to support the parking waiver for this development.

Due to its proximity to public transit and location along Connecticut Avenue, this is a project that can easily be marketed without parking spots. Also, my experience is that street parking is not an issue for residents of the neighborhood. Finally, encouraging a car-free lifestyle will be beneficial for local businesses and -- it goes without saying -- the environment. This is exactly the kind of project and location that should have a parking waiver.

Thank you for consideration of these comments.

Sincerely,

Isaac Bowers
