Good afternoon -

In advance of the Monday, May 18th meeting I am writing in support of the request to waive all parking requirements. It is imperative that the District remain flexible on outdated parking standards where ample mass transit options are available. I hope that this project is able to proceed and shine a new light on the shift to attracting a younger, carless/carshare demographic that will also support the economic viability of the strip.

Many thanks for your consideration,

Linda Toth
