Hi Board of Zoning,

I write to express my support for the waiver being requested for the parking spaces related to the Macklin Project, **BZA 20266 - 3400 Connecticut Ave Partners LLC**. As a resident of Cleveland Park, I strongly support this project and believe that the owner has submitted a good plan to minimize the parking impact on the neighborhood. This project will improve the neighborhood and help contribute to revitalizing the Cleveland Park business corridor. The requested waiver is critical to the viability of the project and should therefore be approved.

Thank you for your consideration.

Sincerely,  
Mike Ravvin
