

# Government of the District of Columbia

## Department of Transportation

### d. Planning and Sustainability Division

#### MEMORANDUM

**TO:** District of Columbia Board of Zoning Adjustment

**FROM:** Anna Chamberlin   
Neighborhood Planning Manager

**DATE:** May 12, 2020

**SUBJECT:** BZA Case No. 20283 – 717 Emerson Street NW

---

#### APPLICATION

Keena Trapps (the “Applicant”), pursuant to Title 11 (2016 Zoning Regulations) of the District of Columbia Municipal Regulations (DCMR), Subtitle X, Chapter 9, requests a special exception under Subtitle D § 306.4 and 5201 from the rear addition requirements of Subtitle D § 306.3, to construct a one-story rear addition to an existing attached principal dwelling unit. The site is in the R-3 Zone at 717 Emerson Street NW (Square 3147, Lot 57) and served by a 16-foot public alley.

#### RECOMMENDATION

The District Department of Transportation (DDOT) has reviewed the application materials and has determined that the proposed action will not have adverse impacts on the District’s transportation network. DDOT has no objection to the approval of this application.

#### PUBLIC SPACE

DDOT’s lack of objection to this application should not be viewed as an approval of the public realm design. If any portion of this or future projects at the property propose elements within District owned right-of-way, the Applicant is required to pursue a public space permit through DDOT’s permitting process.

DDOT expects the adjacent public realm to meet all District standards. The Applicant should refer to Titles 11, 12A, and 24 of the [DCMR](#), the most recent version of DDOT’s [Design and Engineering Manual \(DEM\)](#), and the [Public Realm Design Manual](#) for public space regulations and design guidance. A permit application can be filed through the DDOT [Transportation Online Permitting System \(TOPS\)](#) website.
