

building that does not comply with the matter-of-right conditions of Subtitle U § 252, subject to the special exception conditions of Subtitle X, Chapter 9.

320.2 Conversion of an existing residential building existing on the lot prior to May 12, 1958, to an apartment house shall be permitted as a special exception in an RF-1, RF-2, or RF-3 zone if approved by the Board of Zoning Adjustment under Subtitle X, Chapter 9, subject to the following conditions:

- (a) The maximum height of the residential building and any additions thereto shall not exceed thirty-five feet (35 ft.), except that the Board of Zoning Adjustment may grant a special exception from this limit to a maximum height of forty feet (40 ft.) provided the additional five feet (5 ft.) is consistent with Subtitle U §§ 320.2(f) through 320.2(i);
- (b) The fourth (4<sup>th</sup>) dwelling unit and every additional even number dwelling unit thereafter shall be subject to the requirements of Subtitle C, Chapter 10, Inclusionary Zoning, including the set aside requirement set forth at Subtitle C § 1003.6;
- (c) There must be an existing residential building on the property at the time of filing an application for a building permit;
- (d) There shall be a minimum of nine hundred square feet (900 sq. ft.) of land area per dwelling unit;
- (e) An addition shall not extend farther than ten feet (10 ft.) past the farthest rear wall of any adjoining principal residential building on any adjacent property;
- (f) Any addition, including a roof structure or penthouse, shall not block or impede the functioning of a chimney or other external vent compliant with any District of Columbia municipal code on an adjacent property. A chimney or other external vent must be existing and operative at the date of the building permit application for the addition;
- (g) Any addition, including a roof structure or penthouse, shall not significantly interfere with the operation of an existing solar energy system of at least 2kW on an adjacent property unless agreed to by the owner of the adjacent solar energy system. For the purposes of this paragraph the following quoted phrases shall have the associated meaning:
  - (1) “Significantly interfere” shall mean an impact caused solely by the addition that decreases the energy produced by the adjacent solar energy system by more than five percent (5%) on an annual basis,

as demonstrated by a comparative solar shading study acceptable to the Zoning Administrator; and

- (2) “Existing solar energy system” shall mean a solar energy system that is, at the time the application for the building permit for the adjacent addition is officially accepted as complete by the Department of Consumer and Regulatory Affairs or an application for zoning relief or approval for the adjacent addition is officially accepted as complete by the Office of Zoning, either:
  - (A) Legally permitted, installed, and operating: or
  - (B) Authorized by an issued permit; provided that the permitted solar energy system is operative within six (6) months after the issuance of the solar energy system permit not including grid interconnection delays caused solely by a utility company connecting to the solar energy system;
- (h) A roof top architectural element original to the house such as cornices, porch roofs, a turret, tower, or dormers shall not be removed or significantly altered, including shifting its location, changing its shape or increasing its height, elevation, or size. For interior lots, not including through lots, the roof top architectural elements shall not include identified roof top architectural elements facing the structure’s rear lot line. For all other lots, the roof top architectural elements shall include identified rooftop architectural elements on all sides of the structure;
- (i) Any addition shall not have a substantially adverse effect on the use or enjoyment of any abutting or adjacent dwelling or property, in particular:
  - (1) The light and air available to neighboring properties shall not be unduly affected;
  - (2) The privacy of use and enjoyment of neighboring properties shall not be unduly compromised; and
  - (3) The conversion and any associated additions, as viewed from the street, alley, and other public way, shall not substantially visually intrude upon the character, scale, and pattern of houses along the subject street or alley;
- (j) In demonstrating compliance with Subtitle U § 320.2(i) the applicant shall use graphical representations such as plans, photographs, or elevation and section drawings sufficient to represent the relationship of the conversion and any associated addition to adjacent buildings and views from public
