**BZA Memo to File:**

**Re: BZA No. 20191 – Application of Ekop I. Graham**

On December 10, 2020, the Board of Zoning Adjustment (“Board”) received Frances Hammett’s request under Subtitle Y § 103.13(m) to reopen the record of this matter in order to submit a separate written version of her planned oral testimony. Ms. Hammett is an individual who was unable to testify at the Virtual Public Hearing on December 9, 2020 due to technical issues outside of her control.

On December 10, 2020, the Chairperson granted Ms. Hammett’s request. Accordingly, the record was reopened for the sole purposes of entering Ms. Hammett’s planned oral testimony (at Ex. 46). Parties are hereby notified of the reasonable time to respond to Ms. Hammett’s testimony through **Thursday, December 17, 2020**. **Aside from these responses**, the record remains **closed**. The Board reserves its right to reopen the record to conduct further hearings on any issues, and the parties will be provided notice if any further hearing is held.

If you have any questions, please contact the Office of Zoning on 202.727.6311.
